PLACEMENTS

I came to know about 2+2 Pathway while pursuing Bachelors of Business Administration from GJIMT and that was a great experience as I walked towards my dream. Starting from university admission, offer letter, financial statements, medical, vfs visa application, credibility interview support, all were done in just months. Thanks to the team GJIMT for advice and suggestions for visa documentation. I strongly recommend all to choose GJIMT as your pathway to reach abroad and you will never regret it.
