

#### **4.1.1 The Institution has adequate infrastructure and other facilities for,**

- **teaching – learning, viz., classrooms, laboratories, computing equipment etc**
- **ICT – enabled facilities such as smart class, LMS etc.**

**Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc (Describe the adequacy of facilities in maximum of 500 words.)**

Gian Jyoti Institute of Management and Technology (GJIMT) boasts a comprehensive and modern infrastructure that supports a wide range of academic, cultural, and sports activities, creating an environment conducive to holistic development. Spread over 2.5 acres with a built-up area of 3,521 square meters, the institute is equipped with state-of-the-art facilities designed to enhance the teaching-learning experience.

#### **Academic Infrastructure**

GJIMT's academic infrastructure is designed to provide a robust learning environment. The institute has 20 fully equipped classrooms and two tutorial rooms, all furnished with modern amenities that include whiteboards, internet access, Wi-Fi, LCD projectors, and podiums. These classrooms are meticulously designed with ample ventilation, ergonomic seating, and proper lighting to ensure comfort and an optimal learning experience.

#### **ICT-Enabled Facilities**

In line with its commitment to integrating technology into education, GJIMT has incorporated ICT-enabled facilities across its campus. The institute features two interactive smart boards that enhance the teaching-learning process by providing immersive and dynamic experiences. These tools are pivotal in fostering a digitally-driven pedagogy that aligns with contemporary educational practices.

GJIMT also has four computer laboratories equipped with 220 computers and projectors, offering students hands-on experience with both licensed and open-source software. This setup ensures that students acquire practical skills necessary for their academic and professional growth. The institute's digital library, equipped with 10 computers, provides access to a wide range of online databases, e-books, and academic articles. Additionally, the library is equipped with NVDA (Non-Visual Desktop Access) software and Braille Keyboard, ensuring accessibility for blind and visually impaired students.

## **Sports and Cultural Facilities**

GJIMT places significant emphasis on the physical well-being and cultural development of its students. The institute provides extensive sports facilities, including a cricket ground, football field, basketball court, lawn tennis court, and volleyball court, catering to a wide range of outdoor activities. For indoor sports, students can engage in games like table tennis, carrom, and chess. The campus also houses a fully equipped gymnasium, where students can focus on their fitness and participate in yoga sessions led by trained instructors.

## **Cultural Facilities**

Cultural activities at GJIMT are centered around its modern auditorium, which is equipped with advanced audio-visual aids. This venue hosts various performances and events, allowing students to showcase their talents and participate in a wide range of cultural programs. The auditorium, along with two well-equipped seminar halls and a syndicate room, enhances the institute's capacity to organize academic workshops, placement drives, and faculty development programs.

## **Support Facilities**

To cater to the needs of female students, GJIMT has established a spacious and comfortable girls' common rooms. These rooms provide a dedicated space for relaxation, study, and informal discussions, ensuring that female students have a safe and welcoming environment within the campus.

## **Conclusion**

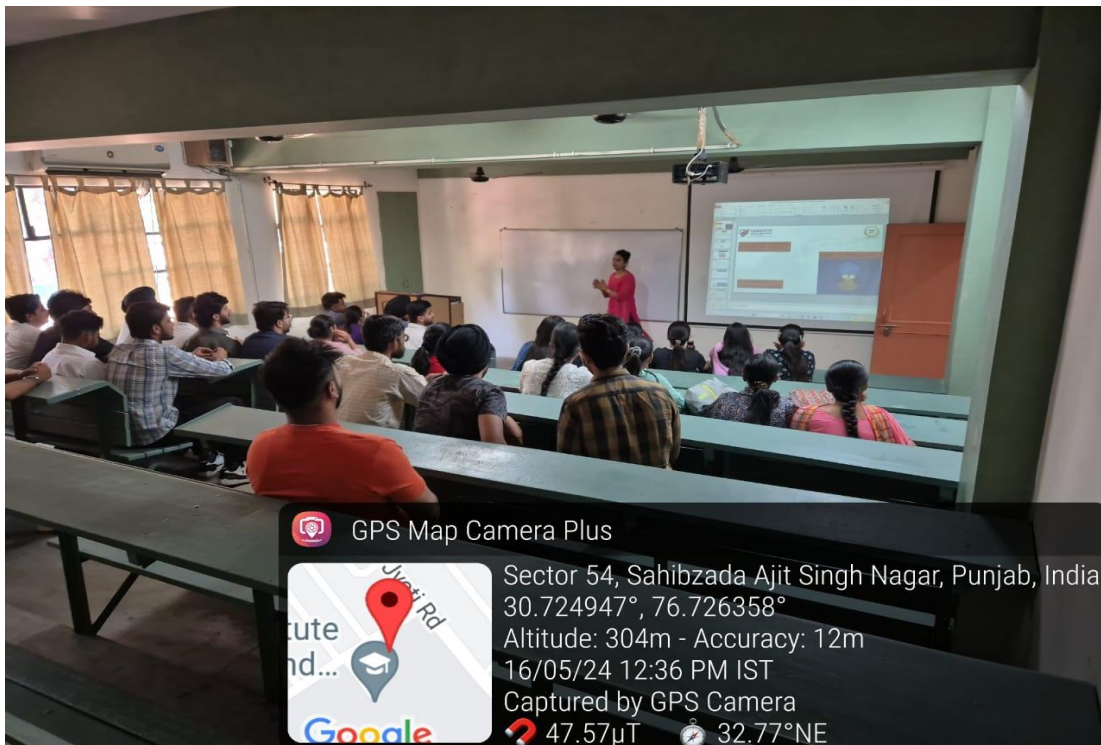

GJIMT's infrastructure is not only adequate but also exemplary in supporting academic excellence, physical fitness, and cultural development. The integration of cutting-edge technology, combined with comprehensive sports and cultural facilities, ensures that students receive a well-rounded education that prepares them for both professional and personal success.

<b>SUPPORTING DOCUMENT FOR 4.1.1</b>
--------------------------------------

Infrastructure and Physical Facilities (Teaching-Learning Resources)
--

## CLASSROOMS

The Institute has well equipped, spacious, and ventilated classrooms and tutorials room with all featuring comfortable seating arrangements and ICT facilities including computer, Internet connectivity, audio-visuals aids, and projectors to support digital learning & communication.

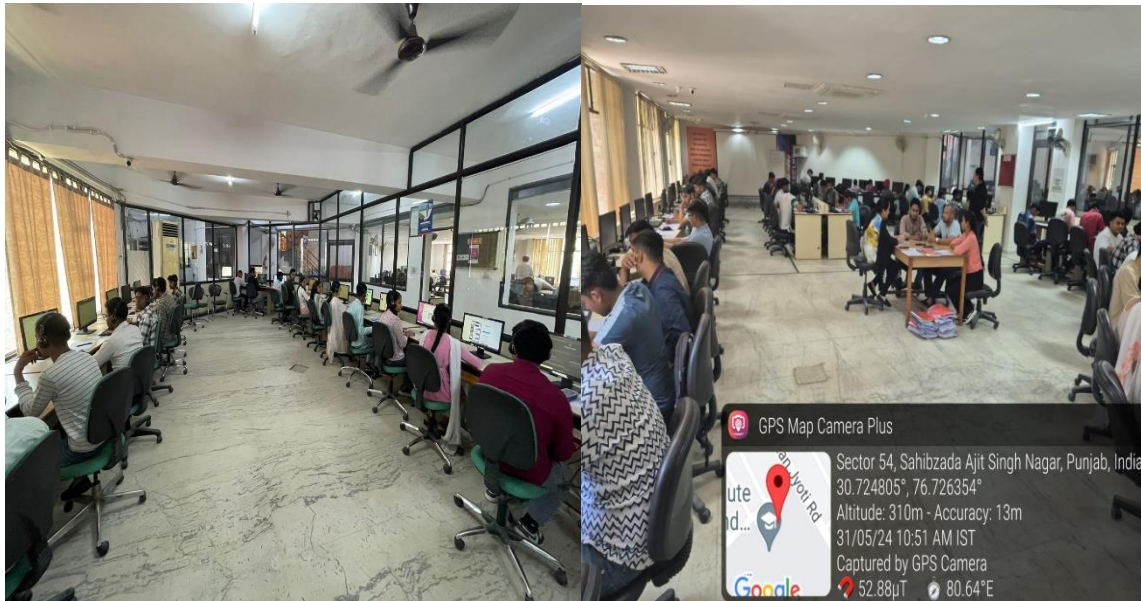

## INTERACTIVE WHITE BOARDS

The college is equipped with two interactive smart boards, enhancing the effectiveness of teaching and providing an engaging learning experience for students.

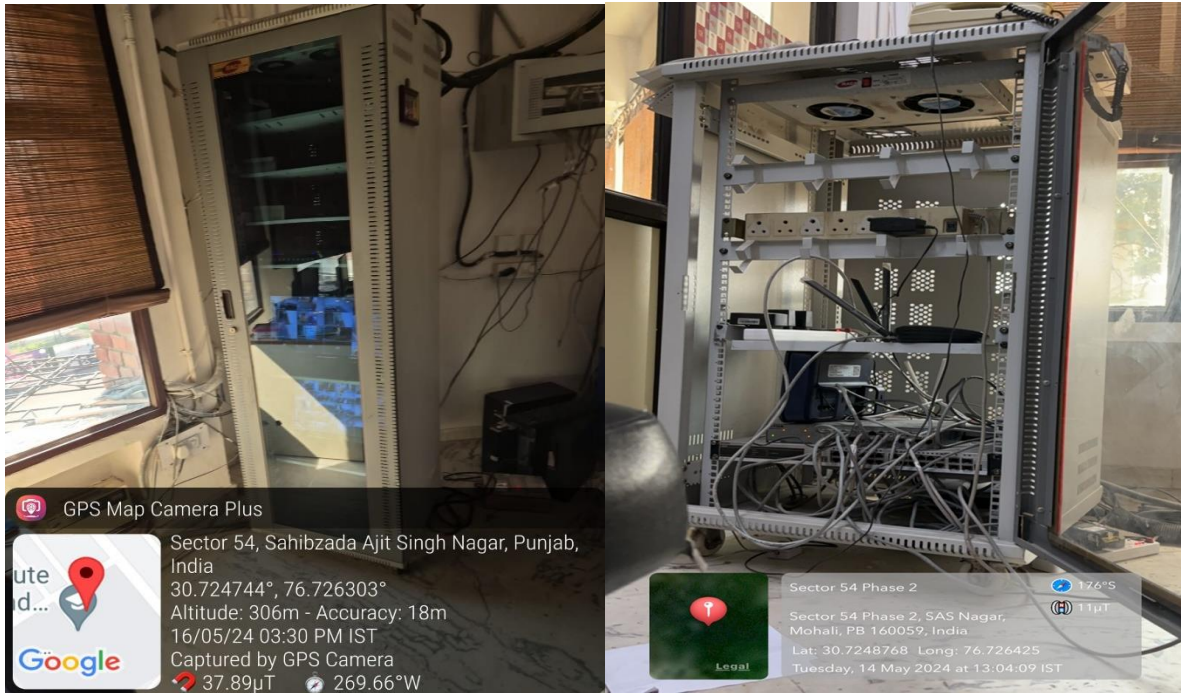

## LABORATORIES

GJIMT has four comprehensive computer laboratories equipped with licensed and open-source software. These labs accommodate 220 computers and are supplemented with projectors to enrich the learning experience.

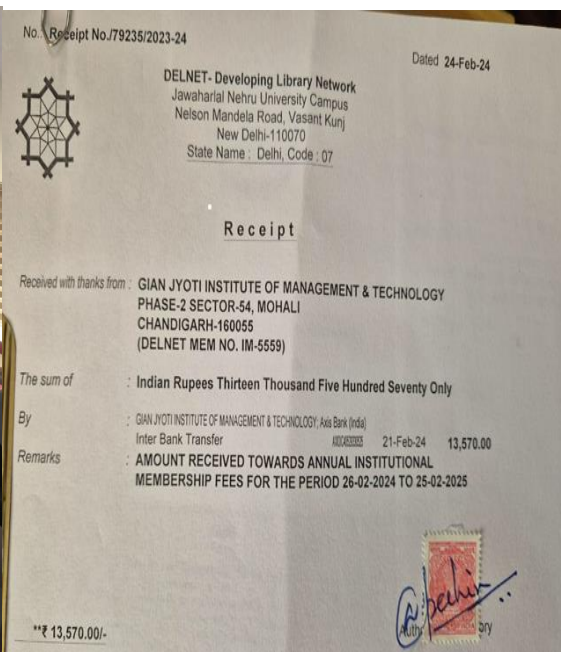

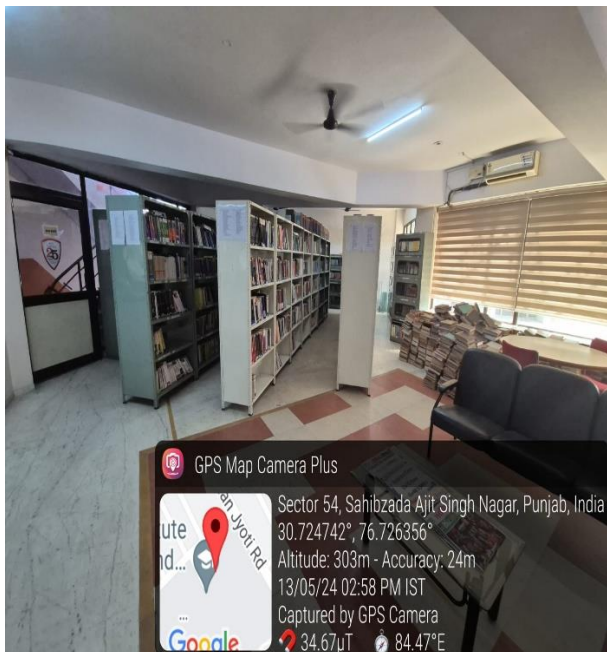

## COMPUTING EQUIPMENTS (SERVER ROOM)

GJIMT offers 2 Gbps broadband connectivity along with 4 Mbps leased lines, ensuring uninterrupted internet services for both students and faculty.

## LIBRARY

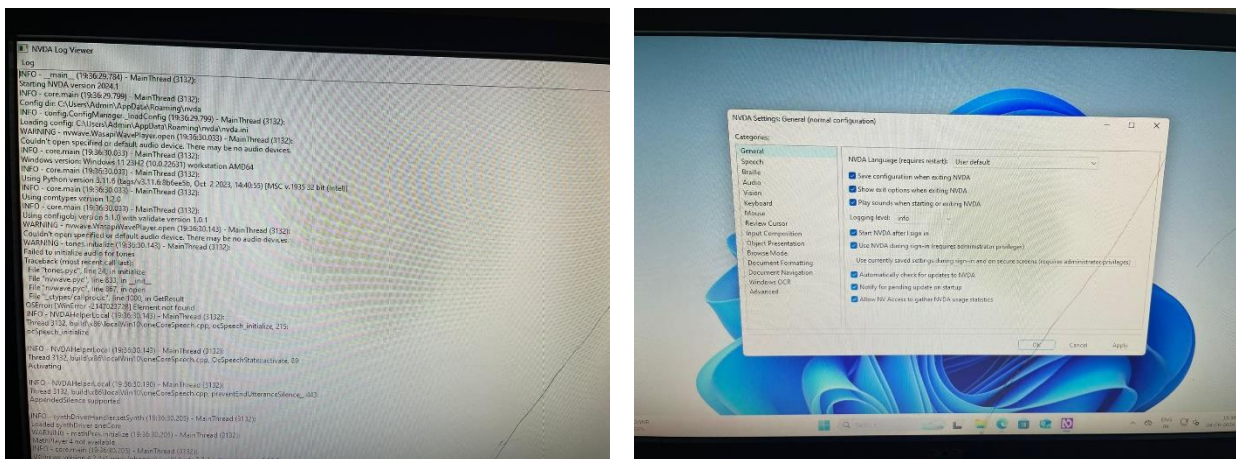

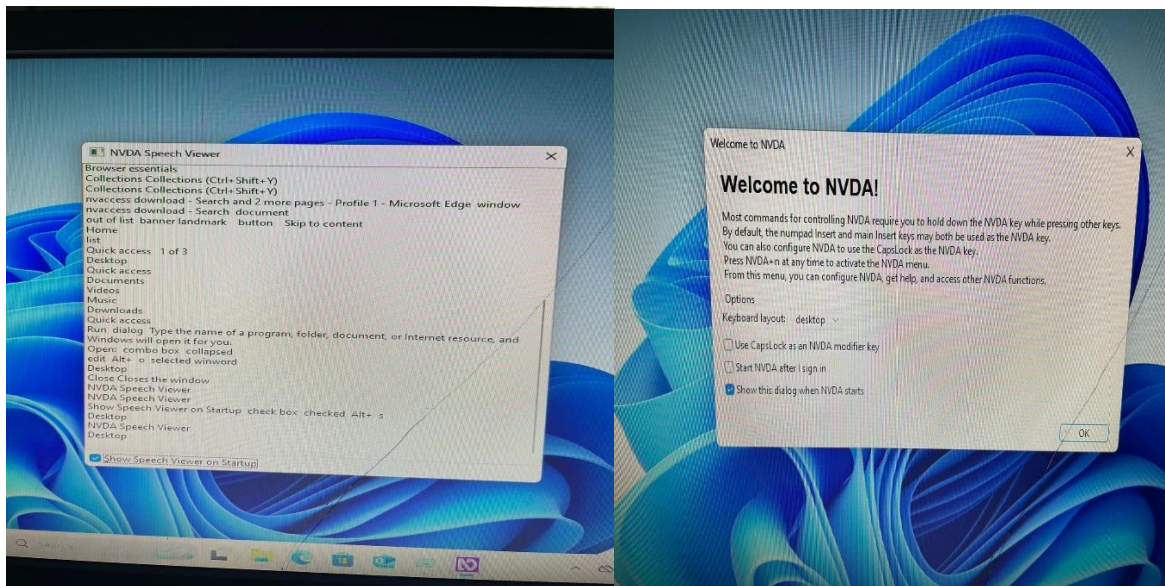

GJIMT has a spacious library with wide range of books, reference materials, journals, e-journals, magazines and digital resources to promote reading, research and self-study.

## NVDA Software

GJIMT Library is equipped with NVDA software, providing accessible reading tools for visually impaired students. This software ensures an inclusive learning environment by converting text to speech and offering braille display compatibility.

## BRAILLE KEYBOARD

Braille keyboard allows visually impaired and blind people who rely on braille to be able to type just as a non-braille user would. Keyboard with Braille stickers is available in the GJIMT library to facilitate the visually impaired students.

## CONFERENCE ROOM

GJIMT has two seminar halls and a conference room equipped with air conditioning, LCD projectors, WiFi, and whiteboards for various activities such as seminars, conferences, and FDPs.

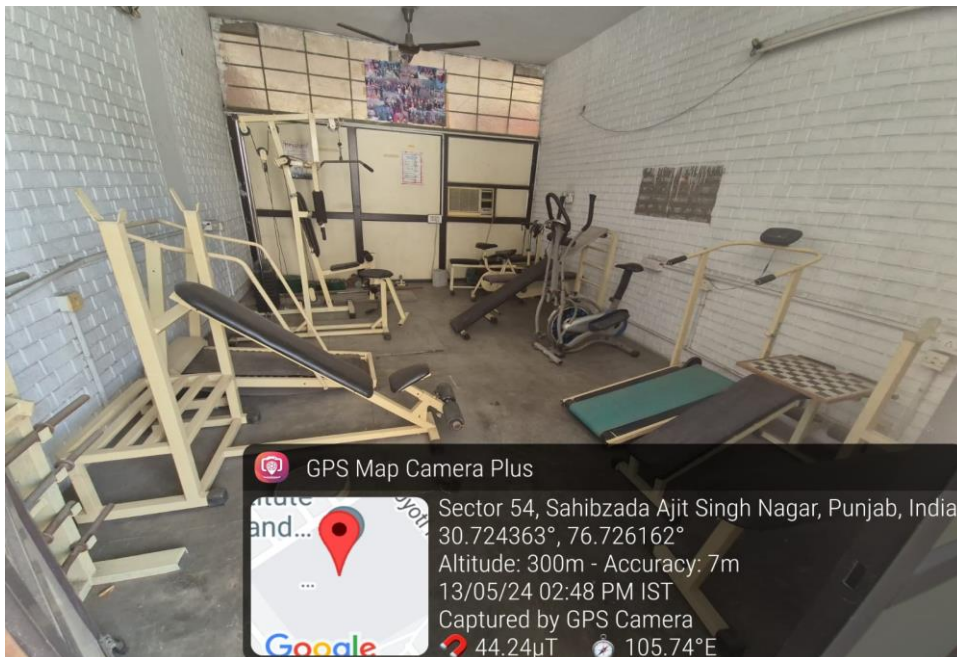

## Conference Room
