MoU with Asian Business School for Academic and Research Collaboration

5 Day FDP on Outcome based Education 1.0 Resource Person Eminent Faculty
from Asian Business School

D. Joint Conferences, workshops and short-term courses

GJIMT, Mohali and ABS Noida agree to help identify and invite faculty members from the other institution to participate in conferences, workshops and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between GJIMT, Mohali and ABS Noida.

E. Intellectual Property

GJIMT, Mohali and ABS Noida agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MoU will be worked out on a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

F. Co-ordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee, consisting of (a) Director, GJIMT, Mohali, or his/her nominee, (b) Director, ABS, Noida, or his/her nominee, (c) Programme coordinator from the side of GJIMT, Mohali, and (d) Programme Coordinator from the side of ABS, Noida, will periodically review and identify ways to strengthen cooperation between the two institutions.

G. Tenure and Termination

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither GJIMT, Mohali nor ABS Noida will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, GJIMT, Mohali and ABS Noida will ensure that all activities in progress are allowed to complete successfully.

H. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, Director, GJIMT, Mohali and Director, ABS Noida will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MoU is signed subject to approval of the respective academic/administrative bodies.

ABOUT GJIMT

Gian Jyoti Institute of Management and Technology (GJIMT), Mohali, established in 1998, is a premier institution in Punjab known for its 25-year legacy in shaping leaders in management and technology. Located in the heart of the tri-city, GJIMT offers a dynamic educational environment with modern facilities, a student-centric curriculum, and strong industry connections. Affiliated with LK. Gujral Punjab Technical University, the institute provides undergraduate, postgraduate, and doctoral programs, and is renowned for its rigorous academic standards and excellent placement record, including top companies like Google and Microsoft. The campus supports holistic development with state-of-the-art amenities, vibrant student activities, and international exposure through exchange programs.

Vision & Mission:

Vision: "To be a premier institute recognized globally for academic excellence and innovative research in management and technology."

Mission:

- To deliver quality education through innovative teaching methods.
- To foster research, innovation, and entrepreneurship.
- To instill ethical values and leadership qualities in students.
- To create a skilled workforce that meets global industry standards.

ABOUT THE FDP

Outcome Based Education and its linkage to teaching-learning outcome have become pertinent in higher education institutes and their growth. All Accreditation bodies require institutes and universities to understand the effective implementation of OBE and its collaboration with the guidelines under NEP 2020. To learn and imbibe the tools and techniques of OBE has become an important area of faculty development as academic administration is a key responsibility undertaken by faculty members across all HEIs. The main aim of the FDP is to undertake fruitful discussions about the processes to be adopted, techniques to be incorporated into the teaching system thus creating unique opportunity for innovative assessment and student engagement.
