# Impact Lecture Series on Entrepreneurship, Startups, Innovation, and Intellectual Property Rights (IPR)

**Event Report** 

Date: May 24

Location: GJIMT Auditorium

Time: 9:45 AM - 1:30 PM

The Impact Lecture Series on Entrepreneurship, Startups, Innovation, and Intellectual Property Rights (IPR) was successfully conducted on May 24 in the GJIMT Auditorium. The event began promptly at 9:45 AM and was well-attended by students and faculty from BCA I, BBA I, and BCOM I (Hons)sponsored by the AICTE (All India Council for Technical Education), under the aegis of IIC (Institution's Innovation Council), GJIMT (Gian Jyoti Institute of Management & Technology), with support from MoE's (Ministry of Education) Innovation Cell, Government of India.

Speakers:

Dr. Niraj Bala

Dr. Harsh Vardhan Samalia

**Event Overview** 

Welcome and Introduction:

The session commenced with a warm welcome from the host, who introduced the esteemed speakers and outlined the schedule for the morning.

**The first session featured Dr. Niraj Bala** from the Entrepreneurship Development and Industrial Coordination Department at NITTTR (National Institute of Technical Teachers Training and Research), Chandigarh, delivering a lecture on Entrepreneurship and Innovation.

# Achieve. Ascend Institute of Management and Technology

In the second session, Dr. Harsh Vardhan Samalia, Associate Dean of Outreach and Resource Generation at NITTTR, Chandigarh, presented a lecture on Startups and Innovation.

Both sessions were highly successful, attracting more than 200 students and faculty members. The program was coordinated by Dr. Neeraj Sharma, the Convener of IIC, and the Dean Academic at GJIMT.

Highlights of his talk included: Types of intellectual property and their significance, The process of patenting and protecting inventions, The role of IPR in fostering innovation and economic growth

Case studies of successful innovation and IPR strategies

#### Q&A Session:

Following the presentations, a lively Q&A session took place, where students and faculty had the opportunity to ask questions and engage directly with the speakers.

Topics discussed included: Practical steps for young entrepreneurs, Common pitfalls in managing intellectual property, Future trends in innovation and startup ecosystems

#### Conclusion:

The event concluded with a vote of thanks to the speakers for their insightful contributions and to the attendees for their active participation. Attendees left with a deeper understanding of entrepreneurship, innovation, and the critical role of intellectual property rights.

#### Attendance:

The attendance requirement was successfully met, with all students and faculty from the specified programs present. The event was not only informative but also served as an inspiration for many aspiring entrepreneurs among the attendees.

#### **Recommendations:**

Regularly organize such lecture series to keep students updated with current trends and practices.

Include hands-on workshops and interactive sessions for more practical learning.

Facilitate networking opportunities with successful entrepreneurs and industry experts.

The Impact Lecture Series was a resounding success, providing valuable knowledge and inspiration to all participants.

#### **RESUME BUILDING WORKSHOP(LIFE MANAGEMENT SKILLS)**

## Report on the Resume Building Workshop held on 18/01/024

Organized by the Training and Placement Cell on Jan 18, 2024, the Training and Placement Cell successfully conducted a Resume Building Workshop for all final year students. This workshop was designed to help students create effective resumes, highlight their skills and achievements, and enhance their chances of securing job placements.

Workshop Details: Date: Jan 18, 2024 Time: 10:00 AM Venue: Computer Labs

Workshop Agenda:

Introduction and Objectives:

The session began with an introduction to the importance of a well-crafted resume in the job market. The objectives of the workshop were clearly outlined, emphasizing the need to create resumes that stand out to potential employers.

#### Guidance from Professionals:

Experienced professionals conducted the workshop, providing valuable tips and insights into resume writing. They covered various aspects, including the structure and content of a resume, how to effectively present skills and achievements, and common mistakes to avoid.

#### **Tailoring Resumes:**

The session included a segment on customizing resumes for different job roles. Participants learned how to align their resumes with job descriptions and highlight relevant experiences and qualifications.

#### Interactive Session:

The workshop featured an interactive segment where students received personalized feedback on their resumes. This hands-on approach allowed participants to make immediate improvements and ask specific questions.

#### **O&A** Session:

A Q&A session was held towards the end of the workshop, providing students with the opportunity to

seek further clarification on various aspects of resume building.

Benefits of the Workshop:

Enhanced Resume Quality: Students gained a better understanding of how to create professional and effective resumes.

Personalized Feedback: Participants received individual feedback from professionals, enabling them to refine their resumes based on expert advice.

Increased Confidence: The workshop helped boost the confidence of students in their ability to present themselves effectively to potential employers.

Networking Opportunity: Students had the chance to interact with professionals and peers, broadening their network for future career opportunities.

#### Conclusion:

The Resume Building Workshop was well-received by the students, with active participation and positive feedback. The session successfully met its objectives, providing final year students with the skills and knowledge needed to enhance their resumes and improve their job prospects.

#### Acknowledgments:

We extend our gratitude to the professionals who led the workshop and the students who participated enthusiastically. The success of this event would not have been possible without the collective effort of everyone involved.

Leadership and Management Skills

In the current times of cut-throat competitions, disbelief in values, techno-centric complex lifestyles, there is a dire need to emphasise the 'human' agency in community living. This can be done by cultivating and nurturing the innate leadership skills of the youth so that they may transform these challenges into opportunities and become torch bearers of the future by developing creative solutions.

#### Objectives The Module is designed to:

- Help students to develop essential skills to influence and motivate others.
- Inculcate emotional and social intelligence and integrative thinking for effective leadership.
- Create and maintain an effective and motivated team to work for the society.
- Nurture a creative and entrepreneurial mind-set.
- Make students understand the personal values and apply ethical principles in professional and social contexts.

### **Expected Outcomes**

Upon completion of the course students will be able to:

- Examine various leadership models and understand/assess their skills, strengths and abilities that affect their own leadership style and can create their leadership vision.
- Learn and demonstrate a set of practical skills such as time management, selfmanagement, handling conflicts, team leadership, etc.
- Understand the basics of entrepreneurship and develop business plans.
- Apply the design thinking approach for leadership.
- Appreciate the importance of ethics and moral values for making of a balanced personality.

Universal Human Values

Universal human values are values that human beings cherish and hold in common consciously and otherwise in most of the places and times and practice them.

**YOTI** Institute of Management and Technology

**Truth, Love, Peace, Non-Violence** and **Righteous Conduct** are the Universal Human Values. Renunciation, Compassion and Service are also commonly acceptable human values, which at the operation level have been named differently as sincerity, honesty, righteousness, humility, gratitude, aspiration, prosperity, non-violence, trust, faith, forgiveness, mercy, peace and so on. These are needed for well-being of an individual, society and humanity and ultimately Peace in the world.

#### Report Session 2023-2024

Name Of Event	Language and Communication Skills 2023-24
Organised By	Training & Placement Cell , GJIMT Mohali
Date	21 March 2024
Participants	MBA,MCA,BBA,BCA,Bcom Hons Students

Language is regarded as both the greatest communication enabler and the greatest communication barrier. Students receive training so that they can be groomed in a variety of areas, such as the value of effective communication, different forms of communication, communication hurdles, presenting skills, etc. Distinguished academic and business leaders present workshops on these subjects to assist students in being ready for the demands of the workplace.

The TPC of the college have organized various types of activities to develop the language and communication skills of the students enrolled with the institution. These activities of the departments helped the learners to learn and enhance communication skills. They upskilled functional English , content writing, letter writing, listening and comprehension, vocabulary .Participants included final year students of BBA, MBA, BCA, MCA.

**OUTCOME-** The students benefitted from the workshop so as to bridge the gap between personal life and professional life. It helped students to improve language and communication skills helping them in multilingual environment.

## LANGUAGE LAB

A language laboratory (or language lab in short) is a system that transforms a passive language class into an active speaking-based learning environment. This helps the language teacher to save a substantial amount of time and manage their language classes more efficiently. For students this means that they can spend more time on speaking-based language learning activities and actually using the target language. Usually when using language laboratories, the teaching focus shifts to using audio-visual teaching aids instead of teaching the second language through text-books and grammar rules.

At GJIMT well equipped language lab is installed to enhance language abilities of students across management and IT department . Hence BBA, BCA, Bcom.Hons, MBA & MCA students are able to improve functional English to have better career opportunities.

### Report Session 2023-2024

Name Of Event	ICT Skills 2023-24
Organised By	IT Department , GJIMT Mohali
Date	15 March 2024
Participants	MBA,MCA,BBA,BCA,Bcom Hons Students

Even though technology has increased how organizations can be more productive, many companies still don't run as efficiently as possible. That's why most employers need staff members that understand the full potential of how information and communication technology (ITC) can enhance workplace success.

Information and communications technology (ICT) skills refer to one's ability to converse with people through various technologies. Similar to information technology (IT), ICT refers to technology use for regular, everyday tasks: sending an email, making a video call, searching the internet, using a tablet or mobile phone, and more.

The workshop was expected to provide to the students a platform for providing hands on training on various available latest ICT tools for innovative learning and support solutions. It was expected to empower the students to use these tools in their teaching and learning practices. The emphasis was to enable exploring the possible use of the available ICT tools innovatively, which will further facilitate their learning experience.
